FAIR FACTS

According to the laws of the state of Minnesota, all County Fairs must be operated by the county Agricultural Societies.

The County of Waseca owns the lands on which the Waseca County fair operates. They have leased the land to the Waseca County Agricultural Society. It is the responsibility of the board of Directors of the Society to correlate any and all activities that take place on the fairgrounds. The board of Directors is composed of fifteen members who serve for terms of three years. Directors are elected at the Annual Meeting of the Society which is held in November. Following the Annual Meeting of all members, all elected directors then meet and hold election of officers. Elected are: President, 1st Vice President, 2nd Vice President,. These elected officers, abiding by the Constitution and By-Laws of the Organization, carry out the policies and wishes of the board and coordinate the hundreds of activities taking place during fair week as well as the balance of the year.

The fair grounds are used for many different kinds of activities during the year in addition to the fair, such as: Auctions, RV vehicle storage, Dog Shows, Horse Shows, Class and Family Reunions, Archery Club, Sleigh and Cutter parade line up, Mock Crash, Bike Safety Rally, Relay for Life and various other community events.
